Project Report

1. Overview

This is version 2 of the project report. The scope has been finalized and underlined key terms have been updated to reflect stakeholder feedback.

2. Goals

1. Finalize project scope
2. Confirm stakeholders and roles
3. Approve project timeline
4. Allocate budget

3. Team

- Alice - Lead
- Bob - Developer
- Carol - Designer
- Dave - QA

4. Timeline

Phase	Start	End
Planning	Aug 1	Aug 10
Design	Aug 11	Aug 20
Build	Aug 21	Sep 15

5. Notes

Scope approved by stakeholders on August 14. Budget pending final sign-off.

6. Status

This section is now **in progress**, with design work actively underway.

7. Code Reference

```
function calculateBudget(items) {  
  return items.reduce((a, b) => a + b, 0);  
}
```
