Project Report

1. Overview

This is version 3, the **final** report. All underlined key terms are locked, and the project has moved to the build phase.

2. Goals

1. Finalize project scope — *done*
2. Confirm stakeholders and roles — *done*
3. Approve project timeline — *done*
4. Allocate budget — *done*
5. Launch build phase

3. Team

- Alice - Lead
- Bob - Developer
- Carol - Designer
- Dave - QA
- Eve - Project Manager

4. Timeline

Phase	Start	End	Status
Planning	Aug 1	Aug 10	Complete
Design	Aug 11	Aug 20	Complete
Build	Aug 21	Sep 15	In Progress
Testing	Sep 16	Sep 30	Pending

5. Notes

Budget approved on August 20. Build phase kicked off on schedule.

6. Status

This section is now marked **final** for this release cycle.

7. Code Reference

```
function calculateBudget(items) {  
  return items.reduce((a, b) => a + b, 0);  
}
```

```
function trackProgress(phase) {  
  return `${phase} is now active`;  
}
```

8. Closing Remarks

This concludes version 3 of the report, with a final underlined note confirming project readiness for the testing phase.
